sigh. So by all accounts looks like I didn't win a [#wwdc](#) ticket. Congrats to those who did!

Did not win the **WWDC** ticket **lottery** this year. 🥲

John Gallaugher ✅ @gallaugher · Mar 22

Didn't get picked in the **WWDC** **lottery** this year, again. Oof. Hoping PiAcademy in the U.K. the week before I run Swift in Dublin will work as a backup. Must continue learning. The ultrasmarties of Chestnut Hill are ready to build the future.

No WWDC ticket for me either, which means no trip for me this year...

My track record with the [#wwdc](#) **lottery**: 0/5 since I started on the iOS team in 2015. 😢

( well, I don't think I applied every year... 🤦 )

Stefan Sturm @Urkman · Mar 22

I don't believe in "lottery" :(

No ticket to WWDC, so I put that 💰 to better use. Connie is already a talented programmer at 10 years old, but has to code on a borrowed 2011 MacBook Air. There's much more to her story, but she's immensely deserving. Enjoy the new MacBook Pro. I hope you build amazing things. 🚀
