20:00 - Farewell

Please, bring an id and present it at the entrance for registration. You will be granted a badge for access for the duration of the session.

SPEAKER: OLMO GALLEGOS

Olmo Gallegos is an Android Dev at Klisst, a Kotlin fan, dad, and OSS maintainer.

He is an Android expert with focus on Clean Architecture and Clean Code. He also knows his way around iOS code.

In his free time, he breakdances and performs acrobatics. In winter you will find him snowboarding in Sierra Nevada.

He is passionate about open source, being the owner of some Android libs, such as
